hold glass, art work & backing
materials securely in place

**Pneumatic
Point Drivers**
Professional, volume assembly
pneumatic drivers

**Favored worldwide by professional framers for making
the most trusted points and drivers in the industry.**

Since the 1980's Fletcher-Terry has lead the industry in setting the performance standards for points and drivers used in the picture framing trade. That trend continues today. Is saving pennies on some knock-off points worth risking the value of your framed artwork? We don't think so.
